

KOMTRAX Feature Levels

Level 1	Location, SMR daily operation times
Level 1+	Level 1 and residual fuel quantity
Lever 2-	Lever 1+ and cautions and abnormalities
Level 2	Lever 2- and Maintenance item replacement notification and reminder
Lever 2+	Level 2 and load data, MONTHLY actual working ratio and MONTHLY attachment usage ratio
Level 2.5	Level 2+ and DAILY fuel consumption and DAILY actual working hours
Level 3	Level 2.5 and DAILY details: attachment, breaker, digging, hoist, hydraulic relief, travel times, working mode operation times
